The Founders' Fund is a permanent endowment established to provide ongoing support for the mission and programs of Speech and Language Development Center (SLDC). This Fund was formed to recognize and honor those persons who have made a documented, planned gift to SLDC.

In gratitude for all the services found in the work at SLDC and the students who have been touched by these efforts, members of the larger community are encouraged to support future work by remembering this organization in their estate plans. A person becomes a member of the Founders' Fund when he or she makes a provision for SLDC through some form of planned gift. Members of the Founders' Fund periodically receive helpful tax and financial planning information and invitations to special events to celebrate their thoughtful planning.

How to Make a Gift to Speech and Language Development Center

Gift in Life - Offer a gift of cash, securities or other assets, such as real estate.

Bequest - Provide for loved ones, SLDC and others through a provision in your will.

Revocable Living Trust - Control the distribution of your assets, including bequests to SLDC, without going through probate.

Life Insurance - Make a large gift at a small cost by simply giving a new or existing policy designating SLDC as a beneficiary.

Charitable Remainder Trust - Receive an income for life or a period of years, reduce your taxable estate and benefit your heirs and SLDC with a gift of assets including cash, stocks or real estate.

Charitable Lead Trust - SLDC will receive the income from an asset for a given period of years. The asset is later returned to you, a family member or other beneficiary.

Charitable Gift Annuity - Receive a fixed income for life and remove assets from your taxable estate with a gift of cash or securities.

Pooled Income Fund - An irrevocable gift to the fund allows you to receive an income for life and a significant tax deduction. Upon death, the principal reverts to SLDC.

Gifts of Real Estate - The tax laws allow you to give SLDC your personal residence and receive an immediate income tax deduction, yet you and/or your spouse may continue to live there for the remainder of your lifetimes or for a set number of years.

Memorial Gift - A gift can be made through any of the instruments above by designating the gift in memory of a loved one.

Please consult your financial and legal advisors.

When designating SLDC as a beneficiary in your estate plan, please use the term "Speech and Language Development Center — Buena Park, California".
