

Dear Parents and Caregivers:

We are pleased to announce

DAY

Wednesday
March 31st
9:30 am to 12:30 pm
(includes a light lunch)

The purpose of this day is to give grandparents an insight into their grandchildren's day at school. For some students, Grandparents have passed on or are living at a distance, but there may be someone who fills that void in the children's lives; those "Special Friends" are certainly most welcome to be a part of this day.

This will be a very fun day, and should look something like this:

- Welcome get-together (including meeting other grandparents)
- Learn more about Speech and Language Development Center's programs and services
- Lunch
- Question and Answer period

Some grandparents and special friends may not be able to attend on March 31st, but they will have a chance to send a special note to be read to their student on the day of the event.

In order to send invitations to the invitees, we will need address information. Feel free to include as many names as needed (you may attach pages as needed). Here is the information we would like to have:

Please get this information back to us right away so that we can get invitations mailed and returned in time for the March 31st event. Thank you!

Name of Student	
Grandparent name	
Special Friend name	
Address	
City, State, Zip	
E-mail	
Phone	

If you have questions about this day, please contact Ray Bell at 714-821-3620 x 226 or you may e-mail him at rbell@sldc.net.
